

November 17-18 2023 | London, UK

Orthodontic Excellence with the Damon Ultima[™] System.

Dr. Matias Anghileri, Argentina

**PEER
TO PEER**

Join our course to learn about the exciting advancements in orthodontic treatment. The Damon Ultima System is the first full expression orthodontic system designed for faster and more precise finishing*. It is completely reengineered to virtually eliminate play for precise control of rotation, angulation and torque*. This new bracket/wire configuration has completely upgraded the way we approach orthodontic treatment.

Led by expert Dr Matias Anghileri, you'll learn how to achieve exceptional outcomes for your patients with the Ultima system. Get ready to enhance how you work!

**TREATMENT
PLANNING**
